Dear Mr. Shipp:

The Publications Review Board has completed its review of the galleys of your manuscript entitled "In from the Cold CIA Secrecy and Operations: A CIA Officer's True Story." The Board determined that it contains no classified information and has no security objection to its publication.

As always, if you add material to or change the text the Board has approved for publication, you must submit these additions or changes to us before giving them to your publisher or anyone else. In such a case, please mark or otherwise clearly indicate the new material so we can expedite our review. Additional material that must be submitted includes, but is not limited to, photographs, photograph captions, illustrations, diagrams, tables, charts, or maps.

The Board is always pleased to purchase a copy of books published by former Agency employees. Please let us know when "In from the Cold CIA Secrecy and Operations: A CIA Officer's True Story" is commercially available so we can add a copy to the Board's research library.
